All About Golf

Charlottetown, PEI | Category: Golf Putting Greens/Tee Lines

5/2015

7,200 sq. ft.

SYNLawn Precision Putt, SYNBermuda 211,
SYNRye 251, SYNRye 211, SYNLawn Tee Strike & FSF4

All About Golf is a par-44, indoor championship putting course. Blue and white artificial grass was used to simulate water hazards and sand traps. The putting surfaces are designed with realistic slopes and STIMPmeter readings of between 9.5 and 11.5.

| **S Y N L A W N**®

“I chose SYNLawn over its competitors for a number of reasons. Not only does the SYNLawn putting green react just like real bent grass turf, but because it was being installed in an indoor environment, the fire rating and lack of off gas odors was extremely important.”

- Stephen Dowling,
PGA and General Manager of All About Golf
